## FUNCTION OVERFASHION...

DGK has been working on this one for a minute. The new DGK Rough Rider® stands up to the multi-terrain needs of the modern skateboarder without slowing down. Shape, Size, Wheelbase have all been crafted from the mind of John to give you the ultimate riding experience.

If it's good enough for Shanahan, it's good enough for everyone.

# BOO AND BREEZY...

Paying homage to the classic but pushing boundaries for the new. Coco & Breezy are producers & DJ's behind some of the most notable R&B/Afro-Latina hits the world has ever heard. With Boo heavily being into dance music culture he created a friendship with the duo, resulting in Breezy's first solo art project for his newest DGK pro model.

Limited Edition and soon to be the most sought after deck for those that feel the vibe.
